Skills

Programming Languages: Python, Dart, Java, C#, JavaScript, TypeScript, Kotlin, Swift, SQL, HTML, CSS, C++,

Tools & Technologies: PostgreSQL, MySQL, SQLite, Git, Postman, Node.js, React.js, JUnit, RESTful, Android, iOS, .NET, CI/CD, GitHub, Xamarin, Gradle

Experience

Software Developer, eLifeguard.com – Rockledge, FL

Mar 2016 – Present

- Achieved a 4.7-star app store rating on iOS and Android platforms through mobile app design and development
- Enhanced code and executed algorithms, resulting in a 30% app performance improvement
- Led cross-functional collaboration, reducing project timelines by 15% to align with business objectives
- Decreased app crashes by 20% through rigorous testing, debugging, and error tracking
- Developed 5 Python scripts, elevating team productivity by 20% and saving 10 hours weekly
- Demonstrated commitment by working 20 consecutive days to ensure Magento product data accuracy

IT Support Intern, Brevard County Public Schools – Palm Bay, FL

Aug 2022 – Oct 2022

- Orchestrated seamless migration of 50+ laptops to Windows 10, saving 150 hours
- Prioritized tasks, boosting team output by 20% and reducing response times by 15%
- Minimized equipment downtime by 25% through expert software installations and repairs

Software Tester Intern, Innovative Routines International – Melbourne, FL

July 2015 – Oct 2015

- Automated 5+ Shell and Job Control Language (JCL) scripts, increasing productivity by 20%
- Elevated software reliability by 40% through bug identification and resolution
- Mitigated post-release bug reports by 10% through valuable feedback incorporation

Computer Repair Technician, The Computer Repair Zone – Melbourne, FL

Mar 2013 – May 2013

- Conducted comprehensive hardware and software diagnostics, resolving issues and reducing recurring problems by 30%

Projects

TaskList

github.com/iNoles/tasklist

- Pioneered a Jetpack-Compose App for Android using Kotlin, saving users an average of 1 hour daily
- Incorporated SQLDelight for data storage, reducing retrieval times by a remarkable 40%

News

github.com/iNoles/News

- Revamped a Compose Multiplatform news app in Kotlin, achieving a 40% increase in news retrieval speed and a substantial 20% improvement in user engagement
- Optimized development by integrating Gradle Build Systems, resulting in a significant decrease in development time and enabling seamless code sharing across platforms

Tip Calculator

github.com/iNoles/TipCalculator

- Developed a user-friendly MAUI app for precise tip calculation, utilizing .NET 7 for a 20% productivity boost
- Implemented robust error handling, improving user input and edge case handling by an impressive 60%

Education

Eastern Florida State College

Dec 2022

Bachelor of Applied Science in Computer Information Systems Technology

GPA: 4.0

Eastern Florida State College

May 2015

Associate of Science in Computer Programming & Analysis
